

# Call For Makers

---

The logo for Wayne County Mini Maker Faire is enclosed in a blue rectangular border. The text "Wayne County Mini" is in blue, and "Maker Faire" is in red with a registered trademark symbol. The word "Wayne" is in a smaller font size than "County Mini".

Wayne County Mini  
Maker Faire®

## Submit Your Proposal for Wayne County Mini Maker Faire 2017 (May 20, 2017)

Space is limited--- Application deadline is April 1, 2017

Please mail application to: Wayne College, ATTN: Tom Hammond, 1901 Smucker Road, Orrville OH 44667

Areas marked in red are required.

### Type of Proposal (please choose one)

Booth or Exhibit

Type of Booth or Exhibit\*

- Individual Maker or Group (show and tell, not selling or promoting)
- Commercial Maker Booth (individuals selling or promoting items they have made themselves)

Commercial Makers are responsible for their own business transactions - whether it be via cash, credit card, barter, or some other means. There is a fee of \$100 to sell or promote at Wayne County Mini Maker Faire as a Commercial Maker. The fee will be invoiced in advance and payable prior to receiving your Maker Faire credentials.

- Sponsor: Startup Booth (company with 3-10 employees, less than 5 years old)  
After completing this form, we will follow up with information about participating as a startup sponsor.
- Sponsor: Company Booth (larger than Startup)  
After completing this form, we will follow up with information about participating as a sponsor.
- Non-Profit Institution Booth (registered non-profits)

Presentation, Workshop, or Demo (scheduled event on a stage or in workshop area)

Standard Presentation (1-2 presenters)

Length of Presentation

If your presentation can be edited to length, select all the options that could apply.

- 12 minutes
- 25 minutes

45 minutes

Panel Presentation (up to 6 participants, with moderator)

Length of Presentation

If your presentation can be edited to length, select all the options that could apply.

12 minutes

25 minutes

45 minutes

Workshop (class-style, participants are hands-on)

Length and Frequency of Demo or Workshop

Describe the number of times you are offering to do your workshop or demo at Wayne County Mini Maker Faire. If one time, how long is it? If more than once, do you expect to share the space with other workshops / demos or would you like to have sessions all-day in your own area? Please describe.

---

---

Demo (presenter is showing audience how to do something, only presenter is hands-on)

Length and Frequency of Demo or Workshop

Describe the number of times you are offering to do your workshop or demo at Wayne County Mini Maker Faire. If one time, how long is it? If more than once, do you expect to share the space with other workshops / demos or would you like to have sessions all-day in your own area? Please describe.

---

---

Performance

**Project Name or Title**

---

**Full Description** (remains private, not published)

For the Wayne County Mini Maker Faire team, explain what your project/presentation is and describe what you will actually be bringing to Maker Faire. This information will not be made public. Be as descriptive as possible.

---

---

---

---

**Short Description** (made public, may be shown on Wayne County Mini Maker Faire website)

Response limited to 250 characters or less. This information will be made public.

---

---

**Project Photo**

Please include a paper photo, if possible.

**Website**

Website that shows/explains your project/presentation:

---

**What are your plans at Wayne County Mini Maker Faire?** Check all that apply:

- Showcasing my project and sharing knowledge
- Creating a hands on activity to inspire others to make
- Promoting a product or service

Describe the product or service and list the price range.

---

- Selling at Maker Faire

Describe the product or service and list the price range.

---

- Launching a product or service

Please describe your plans.

---

---

- Launching a crowdfunding campaign

Provide a link to your crowdfunding campaign. If you plan to promote your campaign at Wayne County Mini Maker Faire, please provide details about your plans.

---

---

- Soliciting crowdfunding support for a campaign

Provide a link to your crowdfunding campaign. If you plan to promote your campaign at Wayne County Mini Maker Faire, please provide details about your plans.

---

---

- Active Networking (collecting names, signatures, etc)

**Have your company or products ever been featured in a crowdfunding campaign or do you have plans to start a campaign (Kickstarter, Indiegogo, etc?)**

- Yes

Provide a link to your crowdfunding campaign. If you plan to promote your campaign at Wayne County Mini Maker Faire, please provide details about your plans.

---

---

- No

## Will you be giving away, selling, or sampling food (packaged or unpackaged) at Maker Faire?

Yes

Select the option that best describes your plans regarding food at Wayne County Mini Maker Faire.

- I'd like to be a Food Vendor and serve food that will be eaten during the faire by attendees.
- I'm selling or giving away pre-packaged food, not intended for immediate consumption.
- I'm sampling food as part of my exhibit, workshop, demo or presentation.

Describe what type of food and any details. Including food in your exhibit may require a Health Permit and associated fee. Details will be emailed to you after acceptance.

---

---

No

## Space Size

Standard booth space (10'x8' space)

Other, non-standard size

Length: \_\_\_\_\_

Width: \_\_\_\_\_

My exhibit is mobile; no booth needed

Describe your non-standard setup or any special requests.

Describe number of performers/speakers, number of inputs to sound board, number of mics, whether or not you need a projector, space requirements, and any other needs. Special requests are not guaranteed by acceptance. You will receive confirmation in advance of the Faire.

---

---

No booth needed; performer or presenter

Describe number of performers/speakers, number of inputs to sound board, number of mics, whether or not you need a projector, space requirements, and any other needs. Special requests are not guaranteed by acceptance. You will receive confirmation in advance of the Faire.

---

---

**Tables and Chairs** (only if needed, limited supply)\*

Please bring your own setup if possible.

- I will bring my own table and chairs and do not need any provided.
- I need help with 1 table and 2 chairs. (Supply is limited.)
- I would like more than 1 table and 2 chairs. List specific request below.

Please specify the number of tables being requested: \_\_\_\_\_

Please specify the number of chairs being requested: \_\_\_\_\_

**Booth Layout**

Layout drawings are optional but can be helpful in our planning. Please include a layout on paper if possible.

**Do you have a hands-on activity or interactive exhibit for attendees?**

Hands-on activities are encouraged at Wayne County Mini Maker Faire! If your exhibit is not hands-on, please reconsider what you could do to engage and inspire attendees.

- Yes

Describe your hands-on activity or interactive exhibit.\*

---

---

- No

For attendees, please complete this sentence: "At my exhibit (workshop or presentation, etc), you can learn how to...." Please do not repeat the first part of the sentence above, just add onto the sentence as you see best. If this doesn't apply to your exhibit, you can skip it.

---

---

**Location Preference**

- Inside
- Outside

For outdoor exhibits, please mark all options that could work for you.

- With other Makers under a large tent

- Open air
- I can bring a tent/canopy with weights
- Asphalt
- Grass

Either

For outdoor exhibits, please mark all options that could work for you.

- With other Makers under a large tent
- Open air
- I can bring a tent/canopy with weights
- Asphalt
- Grass

## Lighting

- Normal
- Dark

## Noise

- Normal - does not interfere with normal conversation
- Amplified - adjustable level of amplification
- Repetitive or potentially annoying sound
- Loud!

## Does your exhibit require power?

- Yes

What are you powering?

---

---

Electrical requirements

**To ensure you have adequate power onsite, it's essential we know in advance the specific amount you need.** To find the total amperage you require, find the amperage listed on the

back of each piece of equipment you plan to use onsite. Then, add up the amps and round up to the closest amperage below.

- - All options below are for a 120v circuit (normal US house circuit.)
- - Average amperage for common Maker Faire items: Laptop ~2A, Sewing Machine ~0.6A, Lights ~0.3A-2A, 3D Printer ~10A, Arduino ~0.1A. **Please check your equipment, and don't guess; Thank you in advance.**

- one 5 amp circuit (0-500 watts, 120V)
- one 10 amp circuit (501-1000 watts, 120V)
- one 15 amp circuit (1001-1500 watts, 120V)
- one 20 amp circuit (1501-2000 watts, 120V)
- My exhibit requires power, but I need help determining my total power amperage
- Other

Special Requirements: Please provide total amperage and additional details.

---

- No

## Internet requirements

- I don't need wifi internet access
- It would be nice to have wifi internet access.
- My exhibit MUST have wifi internet access to work right.

## Radio Frequencies

If your exhibit uses radio frequencies, please provide details about your RF use, frequencies, etc.

---

---

## Safety

Does your activity require a safety plan that you will supply to us? This is mandatory for exhibits with open fire of any sort. Exhibitor is responsible for all safety gear required for your exhibit. ie- extinguisher, goggles, etc.

- Yes
- No
- I'm not sure, please contact me to discuss

**Does your exhibit make use of fire (any size flame), chemicals, or other dangerous materials or tools (propane, welders, etc)?**

- Yes
- No

**Do you have an interactive exhibit involving using tools of any kind, riding (bikes, go carts, swings, etc), climbing, etc?**

- Yes

Describe any fire or safety details.

---

---

**General Safety Plan**

Please complete a Safety Plan and provide a hardcopy.

- No

**Waste and Trash Concerns**

Will your exhibit produce any waste? Waste is anything you expect to dispose of during setup, showtime or load out at Wayne County Mini Maker Faire, such as recyclables, compostables, garbage, reuseable/donatable items, and water.

- Yes

Please describe what waste you expect to produce, including when, what and how much. Do you have a plan for sustainably disposing of this waste or need assistance creating one?

At Wayne County Mini Maker Faire, we provide recycling and garbage bins. For special hazardous waste or items for donation, upon acceptance, please work with our team to create a plan. All makers are responsible for separating their waste into proper disposal bins.

---

---

- No
