The University of Akron Wayne College • 1901 Smucker Road, Orrville, Ohio

### What is Maker Faire Wayne County?

Part science fair, part county fair, and part something entirely new, Maker Faire is a family-friendly festival of invention, creativity and resourcefulness.

### A Celebration of the Maker Movement!

An all-ages gathering of tech enthusiasts, crafters, educators, tinkerers, hobbyists, engineers, science clubs, authors, artists, students, and commercial exhibitors. All these “makers” come to Maker Faire to show what they have made and to share what they have learned.

### Our Sponsorship Levels
